A NOTE FROM MRS.PATTERSON (FREEMAN)

We are beginning to enter the cold season. If your student needs a coat or socks, please reach out to kenoch@philasd.org or on class Dojo. We are also closing out our first quarter of learning. During our conferences, we encourage you to visit your child's teacher and discuss ways to help your child reach their academic goals. We will have both virtual and in person opportunities. Clubs have been up and running for weeks. Continue to check DOJO and our social media pages for updates. Finally, we are hosting our first field trip in years. Our students who have had positive behavior will attend our aquarium trip on 11/29.

SCHOOL NEWS

Do you want tutoring for your student? Ziegler will begin our tutoring program early this year. We are aiming for big goals.

Would you like to contribute to Ziegler or give feedback on ways to improve? Please reach out to nfreeman@philasd.org

Ziegler is looking for some new staff to work with our students. We need [Special Education Assistants](#). Reach out to lzeller@philasd.org if interested.
